

TIO CONCEPT

(Printing Press, JAMB/CBT Centre and Agricultural Farm)

Prepared for: TIO CONCEPT

Business Focus: Printing, Education and Agriculture

1. EXECUTIVE SUMMARY

TIO CONCEPT is a diversified enterprise operating across **printing services, computer-based testing (CBT)/JAMB centre operations**, and **commercial agriculture** (cocoa, palm, and rubber farming). The business is strategically located in **Oyo State and Osun State, Nigeria**, allowing it to serve both urban and semi-urban markets efficiently.

The company is designed to meet the growing demand for quality printing and educational testing services while investing in long-term agricultural ventures that ensure sustainability, food security, and export potential. TIO CONCEPT operates with a structured management system, skilled personnel, and clearly defined departmental responsibilities.
